

2018-2019 Grant Application for Habitat Conservation

Limited grants are available for funding of *Inside the Outdoors*® 3rd grade Aliso Watershed program and a Traveling Scientist! This grant is limited to schools that have native plants on site and/or are will to plant a native garden. The grant will provide full funding for a Field Trip and Traveling Scientist program. Your school will be responsible to provide transportation. If your school is selected you will be registered for your programs based on the dates listed on your application and program availability.

Considerations:

- Refer to the district/school master calendar to avoid scheduling conflicts with year-round cycles, district-wide testing, Open House, conferences, winter/spring break, school holidays, inservices, or special events.
- Schools are scheduled on a first come, first serve basis.
- Estimate the number of students, this number will be used on your contract initiated with your school/district. Remember to include Special Education students.
- Check for availability of transportation.
- Cancellations and adjusted enrollment numbers require written notice of at least **20 business days** prior to participation. If another school cannot be found for the open date, your school will be billed for 90% of your contracted enrollment.
