

# 2019-2020 Grant Application for Scientists of the Sewers

Limited grants are available for *Inside the Outdoors*® programs! The grant will provide full funding for a High School Traveling Scientist program and a Field Trip to the Orange County Sanitation District. If your school is selected you will be registered for your programs based on the dates listed on your application and program availability. This grant is limited to schools in the Orange County Sanitation District service area.

Field Trips are coordinated through the Orange County Sanitation District. Contact Cheryl Scott (cscott@ocsd.com) to schedule your Field Trip.

Notes or Scheduling Conflicts:

### Considerations:

- Refer to the district/school master calendar to avoid scheduling conflicts with year-round cycles, district-wide testing, Open House, conferences, winter/spring break, school holidays, inservices, or special events.
- Schools are scheduled on a first come, first serve basis.
- Estimate the number of students, this number will be used on your contract initiated with your school/district. Remember to include Special Education students.
- Cancellations and adjusted enrollment numbers require written notice of at least **20 business days** prior to participation. If another school cannot be found for the open date, your school will be billed for 90% of your contracted enrollment.
