

Where's My Water?

2018-2019 Grant Application

Inside the Outdoors® has a new high school water education program, **Where's My Water?** This Traveling Scientist visit to your classroom will introduce your students to the current topic about where we get our water and the debate of the CA Water Fix. If your school is approved for the grant, this program will be provided Free of Charge, including mileage. If your school is selected you will be registered for your program based on the dates listed on your application and program availability.

Considerations:

- Refer to the district/school master calendar to avoid scheduling conflicts with year-round cycles, district-wide testing, Open House, conferences, winter/spring break, school holidays, inservices, or special events.
- Schools are scheduled on a first come, first serve basis.
- Estimate the number of students, this number will be used on your contract initiated with your school/district. Remember to include Special Education students.
- Check for availability of classroom space.
- Cancellations and adjusted enrollment numbers require written notice of at least **20 business days** prior to participation. If another school cannot be found for the open date, your school will be billed for 90% of your contracted enrollment.
