Each of these selection criteria MUST be followed in order for the artwork to qualify for judging by Anaheim.

Deadline is Friday, April 5, 2019.

ELIGIBILITY AND JUDGING

Students in 1st-12th grade that attend any public or private school located in Anaheim are eligible to submit a poster. There is a limit of one poster per student. Each grade level will be judged separately based on originality, use of color, and appropriateness of the theme and water conservation message. Two posters from each grade level will be selected.

POSTER REQUIREMENTS

- "Water is Life" is the overall theme. A "short" water message must be written on the artwork (but, not necessarily the words Water is Life). The fewer words written, the better.
- Words must be spelled correctly! Please remind students, teachers and parents/family members to check spelling and punctuation. Posters with misspelled words will not be selected.
- Bold, bright, brilliant colors show up the best! Students may use the following art media: crayons, markers, pencils, paints, watercolors, chinks, cut paper or fabric.
- Artwork must be ORIGINAL (no traced, trademarked, or copyrighted characters and slogans, i.e. Snoopy, Sponge Bob, Dora the Explorer, etc.) Please, NO repeat ideas of artwork from past years.
- Posters should depict each student's original work and "truly" be the hands-on work of each student, realistically representing the age, grade and developmental skill level of each student. Teachers and parents should only assist with spelling and punctuation.
- If you feel that any artwork is "questionable" in that regard, please do some background work with the student's teacher before you submit it to us. Anaheim reserves the right to question or disqualify any artwork that is clearly not the work of the student based on their age and grade level.
